RICHARD DORTON BIO & LINKS PAGE

Richard Dorton – Mocapman Bio

“If you’ve played a video game, you’ve probably killed me.”

Richard Dorton aka Mocapman, is a veteran performance capture actor, director, stunt coordinator, producer, movement consultant instructor and casting director with over 100 video game credits to his name.

With 20 years of experience in motion & performance capture under his belt, Richard has been in the middle of the ever-changing technology and processes used in today’s world of motion capture.

Including a diverse set of skills in acting, stunts, movement, weapons, and dance, Richard has brought to life iconic video game characters like Darth Vader, Master Chief, Nathan Drake, Peter Venkman and creatures from games like Left 4 Dead 1 & 2, Silent Hill: Homecoming, Ghostbusters and many more.

Cinematic performance captures for feature films include Jack the Giant Killer, Spiderman, Tron and most recently, he is known as “Kevin”, The Left head of King Ghidorah from Godzilla: King of the Monsters!

Richard also runs the U.S. division of The Mocap Vaults, a school for training actors who want to pursue a career in performance and motion capture.
